Art Unit: 1745

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-10, 14-25, 29-55, 59 and 60 are rejected under 35 U.S.C. 102(e) as being anticipated by Pirzada *et al.* (US 5,788,738), for reasons of record.

Claims 11-13, 26-28 and 56-58 are rejected under 35 U.S.C. 103(a) as being unpatentable over Pirzada *et al.* (US 5,788,738), for reasons of record.

Applicant's arguments filed 13 October 2005 have been fully considered but they are not persuasive.

Applicants argue that the present application is a child of Pirzada *et al.*, and that Pirzada *et al.* has been incorporated by reference in all of the intervening cases therebetween, and that the present application is thus entitled to the same filing date as Pirzada *et al.* This is not persuasive because the inventive entities of the present application and Pirzada *et al.* are different. Thus, Pirzada *et al.* still constitutes prior art "by another" within the meaning of §102(e). While incorporation by reference serves to render the disclosure of the intervening applications inclusive of the subject matter of Pirzada *et al.*, incorporation by reference does not entitle one inventive entity to the earlier filing date of another. See MPEP 2136.04 and *Ex parte DesOrmeaux*, 25 USPQ2d 2040 (BPAI 1992).

Art Unit: 1745

Applicant's request filed on 13 October 2005 for deferral of examination under 37 CFR 1.103(d) in the application is denied as being improper. Applicant's "contemplating internal restructuring" is not seen as constituting a "good and sufficient cause" for a suspension.

See MPEP § 709.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
